- **New!!** Café Ammi - from Ammirati Coffee Roasters in Pelham, NY. We constantly try to source the best coffee and now, in conjunction with Joeseeph Ammirati we are introducing new beans to our coffee bar. Most are single origin, small-batch roasts. They deal directly with farmers, small co-ops and in some cases with brokers & buy direct. They receive our orders on Sunday and we receive roasted beans a few days later. A great addition to our lineup of coffees.
